## PRELIMINARY RESIDENTIAL PROPERTY TRANSFER FORM

The NYC Housing Maintenance Code requires owners of multiple dwellings to register their properties with the Department of Housing Preservation and Development. 1 or 2 family homes need not be registered if the owner lives in NYC. Failure to register is a violation of the law and may subject owners to fines of up to \$500, and to criminal penalties. In addition, failure to register may prevent the Owner or Managing Agent from bringing certain actions before the NYC Housing Court, including recovery of possession of premises for non-payment of rent.

Upon receipt of this completed form, a pre-printed computerized "PROPERTY REGISTRATION FORM" will be forwarded to you as the new owner of the property. The computerized form must be filled out completely. Incorrect pre-printed data may be corrected in the space provided.
